Facility Management	Pat and Rich came in for their regular meeting with Commissioners and presented their report (attached) on projects that have been ongoing. Pat and Rich reviewed items of note including ongoing issues at EMS 14 and 18 and efforts to resolve them. Service Center limited access project has been completed. Rock and Awe has been set up and SCVB is working through some electronic issues before the show goes live. FM Staff continue to work on mowing and leaf cleanup and getting snow removal equipment prepared. OSS Funds have been depleted with less than $70 left. FM Staff continue to work on cleaning out the old EMS building. Discussion was had on the need for all departments and offices to use the General Supply as much as possible moving forward.	Pat Dickman and Rich Oddo		
NCBHB	Mircea Handru came in for his regular meeting with Commissioners and updated them on the activities of the Board. Mircea updated Commissioners on the history and relationship that the Board has with TASC and passed out some information related to it (attached). Mircea detailed that the Board will be receiving a sizable grant in the coming weeks and $78,320.00 of the funds have been earmarked for TASC. Mircea gave an update on DJFS and Mel's Place (Group Home). The Board has committed to the project $250,000 over two years ($500,000) and will pay the lease on the building for 7 years ($275,520). The DJFS/Group Home is the only project as such that the Board funds in their service area. Funding being allocated by the Board to DJFS is specific to Sandusky County. All levy's on the November ballots associated with the Board passed with the next levy being for Sandusky County in the fall of 2027. Discussion was had on the 988 number and how the crisis line works and is beneficial to a community. It operates 24/7 and is a free service. Mental health funding for county jails was also discussed and Mircea reviewed how much each county receives from the state and how each Sheriff can spend the funds.			

Regional Planning Executive Committee	Fred Audrich, John Havens and Megan Schutt came in to discuss Regional Planning with the Commissioners. They discussed changing the start time to Regional Planning Meetings to accommodate more people from the membership. Commissioners agreed that the time could be moved to a 4:30pm start and that any county employees who were on an hourly rate could adjust their work schedule for meeting days. Fred, John and Megan discussed the upcoming budget and expressed their willingness to work with the Commissioners, understanding the budget issues that exist. Commissioners have to make some sort of annual contribution per the ORC to be able to maintain membership in Regional Planning. Commissioners started that they do intend to contribute to Regional Planning in 2027 but can't identify and exact amount at this time. Commissioners will work to identify a number as soon as possible as they move through the 2027 budget process. An MOU will be put together in the near future establishing the arrangement.
