

Minutes 2015

Thursday January 14, 2016
Boardroom of the Commissioners
622 Croghan St., Fremont, OH 43420

Session began at 8:00am.

Throughout the day the following occurred

Commissioners reviewed numerous mailings. Minutes from sessions 1.12.16 were reviewed and approved. Invoices were approved in electronic and paper fashion.

Other items for other offices were signed and/or reviewed by the Commissioners: Sick leave conversion for Facility Management employee was signed.

Then and Now certificates: none

County Administrator discussion: CoRSA incentive audit was done on Wednesday. We received 100% which will give us a \$10,000.00 incentive refund.

Nathan Baker – CWP. CDBG grant information was done and sent to WSOS yesterday. He sent out 60 letters requesting donations and has gotten a good response. Nathan and his crew have been helping with snow removal.

He has a list of equipment he will be getting with this year's CDBG money.

Cindy Bilby and Deb McGrath - DJFS.

Children Services – The good news is that we are almost done incurring costs for the year. November placement costs were lower than the average. December may be a little higher.

Collabor8 – We are trying to get our groove back, but have had significant problems since aligning ourselves with the state's call center. The original switch was very smooth but it has gotten worse since. They are having monthly calls with the State to figure out the problem. Hoping in time things get better.

Grand jury – Did you see the recent articles? They have sent information on fraud cases. It would be nice if some of these articles made it to the public.

Area 7 – We are playing a waiting game. A lot is up in the air with WIA.

Miscellaneous – I am going to start sharing "good news" items more often, starting today. Interns have done a great job and have been a breath of fresh air. They held a Christmas party for families of children who had been placed in custody and it went very well.

Minutes 2015

Norman Solze – Prosecutors Office. Nothing urgent or new to report on. Discussed the Airport Authority and thoughts on the county taking over the airport. Norman is going to look into this. They are short one Assistant Prosecutor and they are taking applications at this time.
