Tuesday June 6, 2017
Boardroom of the Commissioners
622 Croghan St., Fremont, OH 43420

Commissioner Schwochow led the Pledge of Allegiance and then called session to order. Session began at 8:00am.

Throughout the day the following occurred

Commissioners reviewed numerous mailings. Minutes from session 6/1/17 were reviewed and approved. Invoices were approved in electronic fashion.

Shantel and Alex from Fremont School Board attended to discuss the State's plan for school districts and how parts may affect the budgets. There is a section that discusses absenteeism and discipline issues and how it will affect the schools grading. They feel that this will cause some issues in the school system. They feel it could have direct impact on revenue by eliminating accountability in the schools which will trickle into our work force.

Then and Now:

One certificate was presented by the Clerk of Courts. Was not aware of towing service need until the invoice was presented. One certificate makes up this certificate.

Triple J Towing - \$75.00

Commissioner Schwochow moved to approve the certificates. Commissioner Miller seconded the motion.

Things are moving along to prep the courthouse and City of Fremont is also doing well. Visiting Judge in Fremont would like the video arraignment system back up and running so they are working on making that happen.

They are working on hooking cables and switches but it is slow since they don't have a cable chart yet. Mosser is working on getting this.

Tim Braun – Prosecutor

Drug Task Forces has received commitments from the Sheriff and City of Clyde to assist in personnel to carry them through the end of the year. Next year they will begin collecting revenue from the levy and they will move forward from there. This puts them in a good spot to finish the year and to start next year. The intention would be to have at least four on staff.
