Sandusky County, Ohio

June 2025

CHAMBER OF COMMERCE BUSINESS AFTER HOURS

Commissioner Schwochow attended the Chamber of Commerce Business After Hours event on Friday, June 13th. These events allow Chamber members to network, share laughs, and make new connections.

The event was hosted by the Copper Whale Winery, food was provided by Pub 400 and Rob Zirker with Skylight Financial Group sponsored the night making the event possible.

Many other Chamber members attended this event:

Croghan Colonial Bank, Cherry City Honey Farms & Apiary, Luna Studios, MGR Beauty Bar, Hampton Inn, UIS Insurance & Investments, First National Bank of Bellevue, Park Avenue Title Agency, Inc., Live Edge Center, Parkview Care Center, Auxter-Recker Funeral Homes, Ward Catering, OMNI Fiber, OhioMeansJobs, Law Office of Phillip T. Wylkan, Pub 400, and Tim's Bar & Grill.

RIBBON-CUTTING CEREMONY

Commissioners Miller and Zimmerman attended the ribbon-cutting ceremony celebrating the grand opening of AgCredit, ACA's brand-new Fremont office located at 104 Pinnacle Drive. The event was hosted by the Sandusky County Chamber of Commerce.

The expanded and more accessible space is a reflection of AgCredit's continued commitment to serving the farmers, rural homeowners, and agribusinesses of Sandusky and Ottawa counties.

As a trusted partner in the Farm Credit System, AgCredit continues to invest in the future of our agricultural community and we're excited to see how this new location helps them grow and support even more local families.

Call 419-332-2639 or visit www.agcredit.net to see all they have to offer.

AUXTER-RECKER FUNERAL HOME CEREMONY

Commissioner Zimmerman joined the Chamber of Commerce for the ribbon-cutting ceremony for the Auxter-Recker Funeral Home in Clyde. Congratulations to Jim and Lisa Recker. Jim is a Licensed Funeral Director, Embalmer and Certified Celebrant. Lisa is a Licensed Funeral Home Director, Certified Preplanning Consultant and Certified Celebrant.

With over a century of service to the community, this location has been a cornerstone of care since 1911. They are beginning the next chapter in their legacy as the Reckers carry it forward with compassion, professionalism, and a heart for community.

Auxter-Recker Funeral Home is located at 218 S. Main Street, Clyde OH 43410.

They can be reached at 419-547-9451 and they are open 24 hours a day.

In addition to the ownership transition, they are also excited to re-introduce their grief therapy dog-in-training, Stella.

USPS POSTAL INCREASE

As of **July 13, 2025**, the USPS is increasing mailing service prices by a minimum of 7.4%.

- **First-Class Mail (Stamps):** The price of a Forever stamp will increase from 73 cents to 78 cents.
- **First-Class Mail (Metered):** The price for a 1-ounce metered letter will increase from 69 cents to 74 cents. We receive the metered rate, however, this price increases based on the weight of the letter/package.
- **Postcards:** The price will increase from 56 cents to 62 cents.
- **International Letter:** A 1-ounce letter will increase from \$1.65 to \$1.70.
- **Certified Mail:** This cost will also increase. A standard 1-ounce letter will increase from \$9.64 to \$10.44. These prices increase based on the weight of the letter/package.
- **The Certificate of Mailing:** Will remain at \$2.20 per form, as far as I can tell.

HAPPY RETIREMENT

After nearly 15 years of dedicated service, the Board of Developmental Disabilities bids a heartfelt farewell to their dear friend and co-worker, Connie Sovinski, as she begins her well-earned retirement.

Connie has been a treasured member of the Board of Developmental Disabilities, first serving in transportation before becoming an essential part of their custodial team.

Throughout her years, Connie's care and commitment were felt across the organization from keeping their facility safe and welcoming, to protecting their staff and students during the challenges of the COVID era.

Known for her kindness, reliability, and warm spirit, Connie was universally loved and respected by her coworkers. She looks forward to enjoying time with her family and taking on new projects at home.

SANDUSKY COUNTY COMMUNITIES FOUNDATION

The Sandusky County Communities Foundation (SCCF) has announced the creation of the Lee N. Koenig Legacy Fund, which will invest between \$5.6 million and \$7.6 million over the next five years.

The fund will support causes in education, historical preservation, health care and community development.

"This is more than a monetary gift, it's an investment in hope, opportunity, and lasting change," per SCCF Executive Director Andrea Gibson. "Lee envisioned a future where thoughtful generosity uplifts those in need and preserves what matters most."

Commissioners Miller, Schwochow, Zimmerman and Administrator, Theresa Garcia, attended the foundation hosted luncheon to celebrate Koenig's legacy on June 10th. During the event, 22 nonprofit groups and government offices were recognized as grant recipients. These organizations were selected by Koenig before his passing.

The SCCF is collaborating with the Greater Toledo Community Foundation to manage the Lee N. Koenig Legacy Fund. This partnership aims to ensure the long-term impact and thoughtful distribution of the funds in accordance with Koenig's wishes.

The Legacy Fund represents the largest amount of charitable distributions from a single fund in the foundation's history.

CHERRY CITY HONEY FARMS & APIARY

Commissioner Miller attended the ribbon-cutting ceremony for Cherry City Honey Farms and Apiary hosted by the Chamber of Commerce. Tami and Gary Wylie are celebrating four years of growth and success at Cherry City Honey Farms and Apiary.

Cherry City Honey offers a wide range of natural products including raw clover and wildflower honey, infused and creamed honeys, elderberry syrup kits, beeswax candles, goat's milk soaps, sourdough bread, loose-leaf teas, and more.

They also provide hands-on learning through their Honey-Comb Classroom, with workshops and presentations that bring the community together.

Congratulations to the Cherry City Honey team on this sweet milestone! Be sure to stop in and explore their products and workshops!

Visit them at 1000 County Road 312 (Northwest Road), Bellevue OH or www.cherrycityhoney.com.

SCHOOL'S OUT ICE CREAM SOCIAL

On My 28th the Sandusky County Board of DD hosted friends, providers, and community stakeholders to showcase the playground upgrade at their annual 'School's Out' ice cream social.

The SCBDD upgraded playground was thoughtfully designed to promote inclusion, accessibility, and sensory engagement for children of all abilities. Key features include poured-in-place rubber flooring which covers the entire play area, inclusive structures featuring ramped access, wide platforms, handrails, and slides, and two interactive NEOS 360 Arc stations which offer eight different games. These high-tech play systems support auditory, spatial, and peripheral awareness while encouraging teamwork, movement, and fun with LED lights and dynamic sound effects.

It was a wonderful day to unveil the new playground for their students, staff, local providers, individuals/families that came out to explore and celebrate the unofficial start of summer.

Special thank you to Mark's Homemade Ice Cream Truck!

BETHESDA CARE CENTER RIBBON CUTTING CEREMONY

Commissioner Miller attended the Bethesda Care Center ribbon cutting ceremony to celebrate the launch of their brand new ventilator unit.

This expansion brings advanced, around-the-clock care to Fremont, featuring 24/7 respiratory support, cutting-edge technology, and a dedicated team of healthcare professionals ready to meet complex medical needs.

Thank you to the Bethesda team for their continued commitment to care and to our community.

TICK, TICK, TICK

Ticks are very prevalent this season. Make sure you are checking yourself, children and pets whenever you spend time in wooded, grassy or brushy areas. Stick to trails when hiking and avoid direct contact with vegetation.

To avoid ticks, use repellents containing DEET, wear long-sleeved shirts and long pants - tucking pants into socks or boots, and wear light colored clothing to easily spot ticks.

Check your body and clothing for ticks after spending time outdoors. Pay close attention to areas like underarms, groin, behind the ears and the scalp. Shower soon after being outdoors to wash off any unattached ticks.

Use fine-tipped tweezers to grasp the tick as close to the skin as possible, pull the tick away from the skin with a steady, even motion. Clean the bite area with soap and water or rubbing alcohol. Save the tick for identification by your doctor or local health department.

BLOOD DRIVE SUCCESS

The blood drive held at the Neeley Center in May was a success! They exceeded last years donation of 23 units and were able to collect 29 units of blood.

Thank you to the donors and Terra State for allowing the use of their facility.

SAFETY TOWN

Assistant Chief Michael McGinnis and EMT David Grimes spent an evening at Woodmore Elementary's Safety Town along with the Woodville Volunteer Fire Department Association and Harris-Elmore Fire Department.

Children learned about EMS and got to tour the ambulance.

THANK YOU FOR SUPPORTING OUR LOCAL SCHOOLS AND YOUR OUTSTANDING COMMUNITY INVOLVEMENT.

CHILDREN'S MIRACLE NETWORK EVENT

Pictured Above L to R: Lieutenant Kelly Stoudinger and EMT Callie Klingman.

Lieutenant Stoudinger and EMT Klingman spent the day at Walmart for the Children's Miracle Network event.

Children were able to visit with the crew members and tour the ambulance all for a great cause.

Lieutenant Stoudinger's son, Holden, happens to be apart of the Children's Miracle Network as well and he came out to support.

Pictured Right: Lieutenant Stoudinger with her family.

MONTHLY TRAINING

TEAM JENNY 5K RUN/WALK

Lieutenant DeVos and EMT Boyd stood by providing medical assistance for TEAM JENNY 5K Run/Walk & 1/2 Mile Kids Fun Run at the Fremont Rec Center.

Lieutenants Stoudinger and Dewyre participated in the 5K. This 5K funds a nominated child each year who is dealing with medical illness hardships.

Organizations throughout the county that are sponsoring 5k events can contact the EMS office at 419-332-7313 to inquire about EMS providing medical coverage for their 5K event.

THANK YOU to our EMS members who provide daily life-saving measures and for your continued community involvement.

It is very appreciated!

GIBSONBURG LS-14 PROGRESS

Visible progress has been made on the new EMS station in Gibsonburg. The walls are going up now and they anticipate a September completion date for the facility.

AMERICAN HEART ASSOCIATION RECOGNITION

Sandusky County EMS has been recognized by the American Heart Association for their commitment to providing research-based, high-quality heart attack and stroke care with a Mission: Lifeline Gold Achievement Award.

What does that entail? ST-elevation myocardial infarction (STEMI) patients need a 12 lead acquired within 10 minutes of EMS arrival and transported to a Cath Lab capable hospital all within 90 minutes of initial patient contact. Along with STEMI data, they acquire data for strokes to ensure stroke patients are getting the appropriate assessment and are efficiently transported to a Comprehensive Stroke Center.

STEMI is a severe type of heart attack where a major coronary artery is completely blocked, causing significant damage to the heart muscle due to oxygen deprivation. It's a medical emergency requiring immediate treatment to restore blood flow and minimize damage.

Pictured below is Troy, a patient from April 2025, who was experiencing chest pain. LS-18 responded and he was quickly transported to Fireland's for an emergent heart catheterization. Troy and his wife, Trina, came to visit the crew that saved him that day - Lieutenant Dewyre, Paramedic Boes, and EMT Boyd. Troy was beyond thankful for their quick recognition of a STEMI and transporting him to the appropriate facility in under 90 minutes.

LAW ENFORCEMENT TORCH RUN

Local law enforcement, Special Olympians, friends, neighbors, and the Sandusky County Board of Developmental Disabilities team laced up and joined forces for the Law Enforcement Torch Run in support of Special Olympics Ohio.

Together, they proudly carried the Flame of Hope from Anderson Field near Potter Village, made a spirited stop at the MACC on North Street, continued down Franklin Street to the Fremont Police Department, and crossed the finish line at the FOP Lodge #35.

A huge thank you to the Sandusky County Board of Developmental Disabilities, local law enforcement (Sheriff's Office, Fremont Police Department and State Highway Patrol), and all of the incredible first responders (EMT personnel and fire departments). Your support means the world to these athletes.

Good luck to the Sandusky County Raptors that are heading to compete at the State Summer Games in Columbus!

INTERNATIONAL ASSOCIATION OF EMERGENCY MANAGERS USA 2025 VIRTUAL SUNSHINE SUMMIT

Lisa Kuelling-Sandusky County EMA Director, along with Erie County EMA Director, Tim Jonovich, were the opening presenters for the 2025 International Association of Emergency Managers Virtual Sunshine Summit on June 17th.

Their one-hour presentation topic was the 2022 Ohio Turnpike incident. Fifty-one vehicles were involved in the multi-vehicle crash that spanned several miles across Sandusky and Erie counties and closed the Turnpike in both directions. There were four fatalities and 73 injuries.

The weather conditions including high winds, blowing snow and frigid temperatures factored into the crash. The air temperature was 4 degrees above zero, but strong winds with snow made it feel like minus 50 degrees at times. First responders battled through these horrific conditions to assist those in need.

The International Association of Emergency Managers (IAEM) has more than 6,000 members worldwide, is a non-profit educational organization dedicated to promoting the "Principles of Emergency Management" and representing those professionals whose goals are saving lives and protecting property and the environment during emergencies and disasters.

FUREVER HOME NEEDED

TINY TIM

My name is Tiny Tim. I'm a 9 to 11 month old male, English Coonhound.

I came to the shelter as a stray in February.

I'm still quite a pup, and will need a little work on house training. I'm sweet and loving.

BEST FRIENDS ANIMAL SOCIETY RECOGNITION

According to Best Friends Animal Society's annual data report, the Sandusky County Dog Kennel saved more than 90% of the dogs that entered their shelter last year.

Dog Warden, Kelly Pocock, noted that even though 2024 is the first year they have been recognized by the Best Friends Animal Society as a no-kill facility, they have been no-kill since 2019. As they began to work towards a no-kill kennel, they knew their dogs would end up staying with them longer. They work diligently to ensure the dogs get daily enrichment in a variety of ways to keep them mentally and physically healthy. They meet the dogs where they are. If they are fearful, they give them extra time to decompress. They are proud to say that their Save Rate for 2024 was 95%.

Animal Control or Dog Warden's offices have long been portrayed in a negative light, even in movies, but they have been working hard to change that.

I.G.N.I.T.E. UPDATE

A couple years ago, the Sandusky County Jail was the first in Ohio to launch IGNITE which stands for Inmate Growth Naturally and Intentionally through Education.

It started in 2020 in Flint MI where the Sheriff wanted to shift the jail's culture and reduce the rate of people returning to the jail - called recidivism. So they started offering courses to teach skills like financial literacy and parenting.

Since then, the National Sheriff's Association has adopted the program and it's spread to more than 25 jails across the country.

IGNITE Program Administrator, Caren Nemitz, stated that the program looks different at every site. There are some sites that are bigger and they have a lot of money and there are some sites like ours that are really rural that do not have a lot of money. She stated that we have a lot of people with drug issues and then they have mental health or a trauma aspect also. She has been focusing on education and support for mental health and trauma issues.

Sandusky County's IGNITE program has been funded with grants from the United Way and a local Mental Health and Addiction Services Board. Now, it's being supplemented with a \$172,291 Opioid Remediation Grant from the State Attorney General's Office. The monies are intended to get incarcerated people access to treatment and reduce the number of fatal overdoses in Ohio jails.

WORLD ELDER ABUSE AWARENESS EVENT

Adult Protection proudly hosted two pop-up events in honor of World Elder Abuse Awareness Day. The morning event was held at the Clyde gazebo with their SRO partners and another event was held in Fremont at Share and Care.

The events were to raise awareness, provide resources, and stand in solidarity with older adults everywhere. Every person deserves to age with dignity, respect and safety.

A big thank you to everyone that stopped by their events, asked questions, shared stories, and showed their support. Together, we can prevent elder abuse and protect vulnerable adults.

To report elder abuse, neglect and exploitation, please call the adult protection staff at 419-334-8708.
