Don't miss out, CASA's last volunteer training of the year starts August 23! Don't know anything about the court system, advocating, or child development? That's okay, CASA will train you on everything you need to know! Having doubts on if you are the "right" person to volunteer? It doesn't matter what area you grew up in, how you were raised, or if you did or didn't go to college. All that matters is your drive to protect and help children.

Training will begin Tuesday, August 23 at 5pm at the Tiffin CASA Office (21 Court Street). For an application or to find more out about CASA, call 419-448-1442 or visit www.casaofsw.org. These children didn't ask to be put in these situations, but they are asking for help to change the ending of their story. Will you help be a part of that change? Become an advocate for abused and neglected children in your community!
