PAYROLL DEDUCTIONS

**SECTION 3.03
PAGE 1 OF 1**

Certain deductions shall be withheld from employees' paychecks as required by law, in accordance with employee benefit plans, or as requested by an individual employee. Deductions include P.E.R.S., income taxes, Medicare tax, voluntary health care, or other programs which have been determined by the SCAA and County Auditor to be in the best interests of the County and its employees. The SCAA or County Auditor may refuse to authorize certain voluntary deductions below a certain minimum amount, made at irregular intervals, or for other cause which is deemed in the best interest of the County, or an individual department.
