- Mandate that criminal offenses of obtaining, possessing, or using any drug such as fentanyl, heroin, methamphetamine, cocaine, LSD, and other controlled substances cannot be classified as a felony, but only a misdemeanor.
- Prohibit jail time as a sentence for obtaining, possessing, or using such drugs until an individual's third offense within 24 months.
- Allow an individual convicted of obtaining, possessing, or using any such drug prior to the effective date of the amendment to ask a court to reduce the conviction to a misdemeanor, regardless of whether the individual has completed the sentence.
- Require any available funding, based on projected savings, to be applied to state-administered rehabilitation programs and crime victim funds.
- Require a graduated series of responses, such as community service, drug treatment, or jail time, for minor, non-criminal probation violations.

**To add a new Section 12 to Article XV of the Constitution of the State of Ohio**

- Mandate that criminal offenses of obtaining, possessing, or using any drug such as fentanyl, heroin, methamphetamine, cocaine, LSD, and other controlled substances cannot be classified as a felony, but only a misdemeanor.
- Prohibit jail time as a sentence for obtaining, possessing, or using such drugs until an individual's third offense within 24 months.
- Allow an individual convicted of obtaining, possessing, or using any such drug prior to the effective date of the amendment to ask a court to reduce the conviction to a misdemeanor, regardless of whether the individual has completed the sentence.
- Require any available funding, based on projected savings, to be applied to state-administered rehabilitation programs and crime victim funds.
- Require a graduated series of responses, such as community service, drug treatment, or jail time, for minor, non-criminal probation violations.

**Proposed Constitutional Amendment**

**Proposed by Initiative Petition**

**To add a new Section 12 to Article XV of the Constitution of the State of Ohio**

**A majority yes vote is necessary for the amendment to pass.**

If adopted, the amendment would:

- Require sentence reductions of incarcerated individuals, except individuals incarcerated for murder, rape, or child molestation, by up to 25% if the individual participates in rehabilitative, work, or educational programming.
- Mandate that criminal offenses of obtaining, possessing, or using any drug such as fentanyl, heroin, methamphetamine, cocaine, LSD, and other controlled substances cannot be classified as a felony, but only a misdemeanor.
- Prohibit jail time as a sentence for obtaining, possessing, or using such drugs until an individual's third offense within 24 months.
- Allow an individual convicted of obtaining, possessing, or using any such drug prior to the effective date of the amendment to ask a court to reduce the conviction to a misdemeanor, regardless of whether the individual has completed the sentence.
- Require any available funding, based on projected savings, to be applied to state-administered rehabilitation programs and crime victim funds.
- Require a graduated series of responses, such as community service, drug treatment, or jail time, for minor, non-criminal probation violations.
