If your returned absentee ballot identification envelope is lacking vital information, our office will mail you a supplemental form to complete before the early voting deadline is completed. It is the **voter's responsibility** to complete the supplemental form and return it in a timely manner to ensure that your ballot gets counted.

What Election is this?

The upcoming Election will be a **Primary/Special Election**. During a typical Primary Election, voters must choose from a Democratic ballot or a Republican ballot. If there is an issue on the ballot in your precinct, you may choose a Non-Partisan or Issues Only ballot.

What is the Election Date?

Tuesday, May 2, 2023

Polling locations are open from 6:30 am until 7:30 pm

*****YOU MUST VOTE IN YOUR REGULAR POLLING LOCATION ON ELECTION DAY AND YOU MUST PROVIDE A VALID OHIO PHOTO ID.** ALTERNATIVE DOCUMENTS THAT WERE PREVIOUSLY PERMITTED AS VALID IDENTIFICATION ARE NO LONGER ACCEPTABLE. **NO** VOTING TAKES PLACE AT THE BOARD OF ELECTIONS OFFICE AFTER THE EARLY VOTING PERIOD ENDS ON APRIL 30, 2023.

When is the last day to request an absentee ballot?

You may request your ballot up until **April 25, 2023, at 8:30 pm**. If your absentee application/request is received by the deadline, your ballot will be mailed the same day. If your absentee application/request is received after the deadline, our office will attempt to contact you by phone *if* you have provided a contact number on your absentee application/request.

Do I need to provide an ID if voting early/in-person?

Yes. In addition, you must complete an absentee request form in the office prior to receiving a ballot.

How do I change my party affiliation?

During a Primary Election. Primary Elections are held only when there is more than one candidate seeking a partisan seat (Democrat or Republican). Primary Elections are always held for Presidential Elections and Gubernatorial Elections, and sometimes Municipal Elections. When you ask for a particular ballot style (ie: Democrat or Republican), you will be voting only for candidates in that party. If you choose to be non-affiliated with a political party, you have the option to vote an 'Issues Only' ballot (if there are issues in your precinct for that election). By voting an 'Issues Only' ballot, you will not have any candidates listed on your ballot.

Per the Ohio Secretary of State:

DETERMINING PARTY AFFILIATION An elector is considered to be a member of a political party if they voted in that party's primary election within the preceding two calendar years, or if they did not vote in any other party's primary election within the preceding two calendar years. Each board of elections must enter voting history and update party affiliation following each primary election.

During a General Election (November), everyone votes for all candidates / parties that are listed on the ballot, as well as any issues to be voted on. Essentially everyone residing in a particular district will be voting the same ballot.

Where do I get the form to request an absentee ballot?

When does my voted absentee ballot have to be returned? And, how do I return it?

If returning by mail: ***Your ballot must be postmarked by Monday, May 1, 2023.*** It is a good idea to take your envelope into the post office and request a postmark, as mail pieces are sometimes sorted and sent without a postmarked date. Ballots returned by mail **MUST** be received at the board office by **Saturday, May 6, 2023**.

If returning in person: Your voted ballot must be received in our office by 7:30 pm on Election Day.

Can I return my voted absentee ballot to my polling location on Election Day?

No. Absentee ballots must either be returned by mail, postmarked **by Monday, May 1, 2023**, or **in person** to the Board of Elections office by 7:30 pm on Election Day.

Can I vote on Election Day at the Board of Elections office?

No, unfortunately once early voting has ended; voters must go to their regular polling locations on Election Day. *In-person voting ends at 5:00 pm on Sunday, April 30, 2023.*
