Effective May 18, 2020 the Sandusky County Auditor's Office will re-open to the public with some restrictions due to COVID-19. All individuals entering the Real Estate Office or the MAPS office will be required to wear a mask. Only one person at a time will be allowed in the offices and we ask that you respect social distancing. Please limit your visit to the offices to once per day.

With the uncertain progression of COVID-19, our main concern remains with the health of the public and county staff. I am encouraging you to continue using the drop box, email, mail or phone to communicate with our offices.
